

**REMARKS/ARGUMENTS**

Applicant would like to thank the Examiner for the careful consideration given the present application. The application has been carefully reviewed in light of the Office action, and amended as necessary to more clearly and particularly describe the subject matter which applicant regards as the invention.

Applicant appreciates the allowability of claims 2-10. For purposes of expediting the prosecution of the present application, allowable claim 2 has been incorporated into claim 1 and claim 1 has been cancelled. Thus, claims 1 and 3-10 are allowable for the same reasons as for claim 2.

Claim 1 was rejected under 35 U.S.C. 102(b) over U.S. Patent No. 4,691,529 to Bloomberg et al. Claim 1 was amended to incorporate the limitations of allowable claim 2, and thus the rejection has been rendered moot.

Also enclosed are two (2) sheets of formal drawings, in which hand-written reference numbers have been replaced by typed numbers.

In light of the foregoing, it is respectfully submitted that the present application is in a condition for allowance and notice to that effect is hereby requested. If it is determined that the application is not in a condition for allowance, the Examiner is invited to initiate a telephone interview with the undersigned attorney to expedite prosecution of the present application.

If there are any additional fees resulting from this communication, please charge same to our Deposit Account No. 16-0820, our Order No. 35850.

Respectfully submitted,  
PEARNE & GORDON LLP
